Upon completion of all program requirements\*, Corinne Muelrath, Director of the NCBTP, will submit an **ONLINE** recommendation to the California Commission on Teacher Credentialing (CCTC). Candidates will then follow the application and payment procedures through an automatically generated email. Please be sure your email provider accepts CCTC emails.

\*NOTE: Multiple and Single Subject Credentialed Teachers meet all credential requirements through the completion of BTSA Induction. Teachers holding Designated Subjects, Ryan Credential (including Out of State/Country), and Education Specialist credentials have additional requirements as outlined in your Credential Advisement Letter. Below are some general instructions.

- Career Technical Education or Adult Education Credential: please complete the process outlined on the Designated Subjects Clear Credential Application Check List form. Clear CTE and Adult Ed recommendations are not yet an online process and currently require a paper application; please refer to information included with February advisement letter.
- Some Ryan Credential teachers are required to complete an Infant, Child, and Adult CPR class. If required for your credential, please bring the original (for verification only-not to be submitted) and **one copy of both sides** of your CPR card to your last seminar.
- Out-of-state/Country trained applicants may have additional requirements including CBEST, CSET, US Constitution, RICA or a Reading Class listed on your credential. **Discuss with your County Coordinator.**
- Education Specialists have additional requirements including a Level II portfolio, Health and Technology requirements and a signed IIP Advisement Form. **Discuss with your County Coordinator.**
