

Put 1" borders on top, bottom, left, and right side.

Women's Name

Use word art for the title.

Write a story or some facts about the woman who shares your birthday.

You should make an outline of information you collect, and then use that to create paragraphs with each main topic. Include subtopics, and details to make your story interesting.

Use a test box that is 7.5" (height) X 3.8" (width) for your information box.

Picture of Woman

Get image from Internet or draw a portrait of the woman who shares your birthday.

Draw illustrations that represent events in the woman's life.

You should have several illustrations and they should be colorful.
