[Just Choices](#)

Just Choices is a free program designed for middle and high school students. The goal of Just Choices is to encourage students to explore new ideas and reevaluate old ones while developing a strong understanding and appreciation of historical and contemporary social justice movements. Through this program, students will learn how their everyday choices affect others in society and will be inspired to take on issues with passionate civic engagement. This program includes a teachers' guide, student activity sheets, a video and a poster.

[LAcoast](#)

Free brochures, teaching guides, and CD-ROMs. Materials are made available to the public to increase awareness of the value of the wildlife and wetlands that are being lost.
