

CURRENT EVENTS

4TH GRADE – _____ SCHOOL

MRS. FRYE

We will be doing current events every morning on Monday through Thursday. Every student will be responsible for doing current events approximately four to five weeks. Every Friday we will have a Current Event Quiz. The grade from this quiz will be used as part of each students social studies grade each grading period.

CURRENT EVENT PROCESS

The student who is assigned to the current event of the day will need to arrive at school at around 8:15 (if possible). The will use the web site <http://www2.scholastic.com> to print out a story in the category of:

- International News
- National News
- Sports
- Other or Speical

Each week we will have one story in each category.

The assigned current event student will read the story and highlight the important information. All of the other student will take notes in their Current Event Spiral about each story. After the Daily Bite that student will give a short oral report of the current event, and place the printed story on the bulletin board.

When any student is absent, it is that student's responsibility to read the Current Events Bulletin Board for that week.

CURRENT EVENT QUIZ

Each Friday we will have a Current Event Quiz. This quiz will cover the four current event stories that have been presented that week. Each quiz will have five to ten questions and will be worth 25-50 points. If a student is absent on a Friday, its is that student's responsibility to do a make up Current Event Quiz, so that they do not receive a "Not turned In" in the grade book for that quiz.
